Attachment 9

Inspector General's Recommendation Number 4, page 52

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

The DTR confer with the Commanding Officers of the Army and Air Reserve units to see if more practical reserve training, e.g., International Communism, could be handled by OTR for the reservists.

DD/P Comment

25X1A2g

✓ Concur. It is questionable whether reserve officer training carried out in the past at [REDACTED] has contributed much to Clandestine Service capabilities. We have not opposed the present suspension of this kind of training.
